Will we see the day when again,
nature becomes the teacher of man?

From Life Is an Attitude

Dedication

For helping to make Caldwell a symbol of scholarship, good sportsmanship, wholesome recreation, teamwork, sincerity, and citizenship . . . for teaching us the value of victory and the price of defeat . . . for showing us the importance of having pride in ourselves . . . for the tremendous amount of time and talent that has been so unselfishly given . . . for their examples, we, the 1972 Excalibur staff, proudly dedicate this year's story to a great team . . .

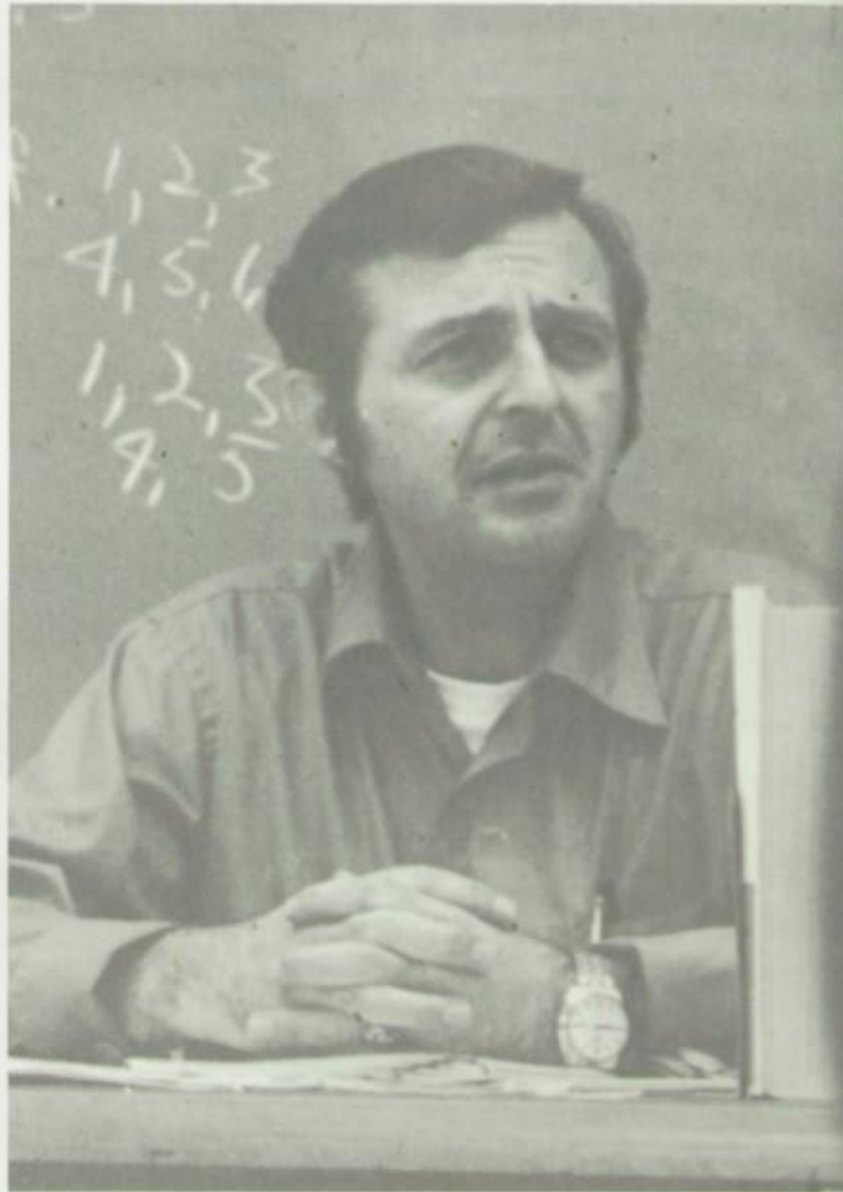

Mr. and Mrs.

Robert Youngblood

Establishment . . .

A teacher who can arouse a feeling for one single good action, for one single good poem, accomplishes more than he who fills our memory with rows on rows of natural objects, classified with name and form.

— Johann Von Goethe —

The Spirit

My school has a spirit
Freed by rousing cheer,
A clapping of hands
Or a broad smile of victory.
My school is spirited,
In time of demise,
In the athletic field or in the classroom,
And there is always a swelling
Pride of awe when the
Alma Mater is sung.

School Marching Band

Memories of October 22, 1971

Caldwell's first homecoming actually began weeks before when the court was elected, cards were sent out to the alumni, and classes began work on their floats.

A bonfire Thursday night, sponsored by the cheerleaders, was the kickoff for the weekend activities. Friday morning, after sitting impatiently through two classes, students, faculty and guests gathered in the gym for the presentation of the court, entertainment by the band, and for a very high-spirited pep rally.

Following the pep rally, everyone hurried to prepare for the parade that afternoon. While students were busy finding good visage points, sweethearts, maids, floats, band and ROTC lined up for the parade in which the Seniors won first place in the float competition.

Homecoming night featured a hard-fought but unsuccessful game against the Cleveland Wildcats. Climaxing weeks of preparation was the presentation of the Homecoming Court during halftime.

Bonnie Harkness, escorted by Robert Milner, reigned as queen; Shelia Thompson, escorted by Larry Jones, was student body maid. The remaining members of the court were: senior — Dianne Yates with escort Ricky McGill; junior — Cindy Whitehead with Jamie Lott as escort; sophomore — Linda McMullan with escort Terry Taylor; and freshman — Sally Parker, escorted by David Boyd.

Colorful floats, excited maids, and enthusiastic Caldwell fans set the state for Homecoming '71.

Caldwell Echo

The Caldwell Echo, broadcasting every Saturday at 9 o'clock on WCBI Radio Station, is an S.T.A. sponsored radio program.

The S.T.A. elected three disc jockeys from the student body. Of the three elected, two were seniors, and one was a junior. The seniors were Lorie Power and Janet Pridmore, and the junior was Sandra Weaver.

The annual staff would like to congratulate these girls on a job well done.

The 1972 Biracial Committee was composed of two whites and two blacks from each class. The purpose of this committee was to try to solve any racial problems that arose at Caldwell.

This year, this group of students planned all elections which concerned blacks and whites together. They sponsored the elite contest, the election of the class favorites, and the cheerleader elections.

Class Poem

by Diane Gore

We began twelve years ago
As children we stood alone.
We knew not what was ahead.
But we took it on our own.

We followed the years
One by one.
We followed the years
Until it was done.

We met different people
We went different places
And everywhere we went
We saw many faces.

We laughed at our jokes
And things that were done.
But we always managed
To have the most fun.

We remember the times
Of sorrow and happiness
The ones that were sad,
The ones filled with gladness.

Then the time came
When parties and fun
Began to take over
Each and everyone.

But the time has come
When we must admit
That our Senior year
has been the best year yet!

As we reflect on our high school days, many outstanding memories of CHS are brought to mind: unity for a common goal; the need for real understanding; people and the individual; conflict ending in victory or defeat; and knowledge gained through experience.

When we are older and have gone our separate ways, we will look back on the experiences we are now undergoing and treasure them forever.

It has taken people to make this an annual which will always record our memories. Mr. Ford and the office personnel have helped us throughout this year and also Mrs. Nancy Adcock, who tried to keep us up on deadlines. Last of all, I want to thank our whole staff for putting up with all of the complaining about being behind and for all the extra effort and time.

The 1971-72 Caldwell Excalibur attempts to capture the valuable moments that have made our high school days so unforgettable.
